

Between The Bridges Privacy Policy & Cookies Statement

Intro

Welcome to our Privacy & Cookies Statement. This document explains how Between The Bridges uses cookies and collects personal data obtained from you when you visit our website or mobile applications (collectively called 'Applications' in this statement for short).

In this document when we refer to 'you' or 'your' we mean you, the person using our Applications, attending the Event or otherwise interacting with you.

We care about being transparent with you about the information we collect and how we use that information. This document explains how we collect and use your information when you engage with our Applications, purchase tickets to the Event or otherwise interact with you. We also explain the different rights you have over your information.

About Us

We are Between The Bridges Ltd, a company incorporated in England and Wales. Our company number is 12422407. Our registered address is 55 Kentish Town Road, London, United Kingdom, NW1 8NX.

Age

Please refer to the Event's Terms and Conditions for our Event's over-18 age policy. Only over-18s can purchase tickets for our Event and if you are under 18 you must have the permission of your parent or legal guardian to use our Applications and you should make sure your parent or legal guardian reads this Privacy & Cookies Statement.

Information We May Collect About You Directly

Newsletters

If you register for one of our digital newsletters or request any advance information about the Event like pre-registration or ticket access we will collect your email address and may request your name and contact number.

Purchases

If you purchase an Event ticket or make any other purchase with us we'll collect information necessary to provide you with your purchase. For example, we may ask for name, age, email address, physical address, date of birth and payment details to process the purchase. If there are circumstances where we need to verify your age for entry to the Event at the gate we may ask for proof of identity and age, such as driver's licence or passport.

Promotions, Competitions & Surveys

We may invite you to participate in promotions, competitions and surveys. We'll collect information needed for you to participate and deliver the prize if you win. This may include name, age, email address, physical address, date of birth and any other information you may want to provide in relation to the promotion, competition or survey.

Information We May Collect About You Indirectly

We collect certain technical information about your device visits to our Applications. This may include your IP address, geographical location, device IMEI number, device MAC address, browser type, referral source, length of visit, operating system, number of page views and similar information. This information may be collected by a third-party analytics service provider on our behalf and/or may be collected using cookies. For more details about cookies please see the relevant section below.

We might collect information relating to any social media posts or comments you share online about our Event on third-party platforms that are in the public domain. For instance, if you leave a comment or review on one of our official social media channels including Facebook, Instagram and Twitter we may use this information to respond. You should refer to the privacy notices of these third-party platforms if you want to know more about how they use the information you share online.

Information We May Collect About You From Third Parties

Ticket agents and service providers

We will collect information about you from third parties that we work closely with so we are able to deliver the goods or services you have requested. For example, we might work with a ticket agent who will sell you a ticket to our Event. In those circumstances, they might give us your details so we can provide you with access to the Events you bought tickets for, or other ancillary services. We might also use third-party companies to manage our payment systems or Platform, they may collect information directly from you on our behalf.

Cookies

We use cookies to ensure that you get the most out of our Platform. Cookies are small amounts of information in the form of text files which we store on the device you use to

access the Applications. Cookies allow us to understand your use of the software and simplify your use of the Applications. For example:

A temporary cookie is used to keep track of your “session”. Without that temporary cookie (which is not stored after you quit your browser) you would have to log on every time you access a new page.

A persistent cookie is stored on your device. They help us provide you with user preferences, settings and information for future visits on our Applications. Persistent cookies allow convenient and easy access to familiar variables such as facilitating preferences such as favourites, bookmarks or language preferences. They can also be used to assess browsing behaviour.

Different types of cookies do different things, such as:

Absolutely necessary cookies are necessary to enable you to navigate through our Applications and use its features. Without these cookies, you would not be able to check out any Event tickets in your basket.

Performance cookies collect information about how you use our Applications. These cookies collect the Internet browsers and operating systems used, the domain name of the website previously visited, the number of visits, average duration of visit, and pages viewed. These cookies don't collect information that personally identifies you and only collect aggregated and anonymous information. Performance cookies are used to improve the user-friendliness of a website and enhance your user experience.

Functionality cookies enables our Applications to remember choices you make (such as your username or ID, language preference, or the area or region you are in) and provide enhanced, more personal features. They can even remember changes you have made to text size, fonts, and other customizable parts of web pages. They may also be used to provide services you have asked for, such as watching a video or commenting on it. The information these cookies collect may be anonymised, and they cannot track your browsing activity on other websites.

Targeting and advertising cookies track browsing habits and are used to deliver targeted (interest-based) advertising. They can also limit the number of times you see an ad and to measure the effectiveness of advertising campaigns. They are usually placed on our Platform by third party advertising networks with our permission. They remember that you have visited a website and this information is shared with other organisations, such as advertisers.

Managing Cookies

You can manage website cookies in your browser settings, and you always have the choice to change these settings by accepting, rejecting, or deleting cookies. If you choose to change your settings, you may find that certain functions and features will not work as intended on the Services. All browser settings are slightly different, so to manage cookies, you should refer to the relevant settings within your browser.

For detailed information on how to disable and delete cookies visit the 'Help' section of your browser.

Here are some useful resources that provide detailed information about types of cookies, how they are used, and how you can manage your cookie preference: <http://www.aboutcookies.org>.

Please note that, if you do set your Internet browser to reject cookies, you may not be able to access all of the functions of the Applications and your experience may be less satisfying without using cookies.

Third Party Cookies

The following third party cookies are used by our Applications for persistent analytics tracking:

- Google Analytics
- Google Adwords
- Facebook Pixel
- Snapchat Pixel
- Spotify Pixel
- Twitter Pixel

Third Party Content & Cookies

Our Applications may contain content and links to other sites that are operated by third parties that may also operate cookies. We don't control these third-party sites or cookies and this Privacy and Cookies Statement does not apply to them. Please visit the terms and conditions and Privacy and Cookies Statement of the relevant third-party site to find out how that site collects and uses your information and to establish whether and for what purpose they use cookies.

Your Rights

You have certain rights in respect of the information that we hold about you, which we value. These rights include:

- the right to ask us not to use your personal data for marketing purposes (remember, you can unsubscribe from any marketing by clicking on the “unsubscribe” in any marketing communication you receive or contact us using the details below);
- the right to request access to the information that we hold about you; and
- if you believe the information that we hold about you is wrong, you can ask us to correct it.

You may exercise your rights above by contacting us using the details below.
